

## PRACTICE NEW PATTERNS HERE!

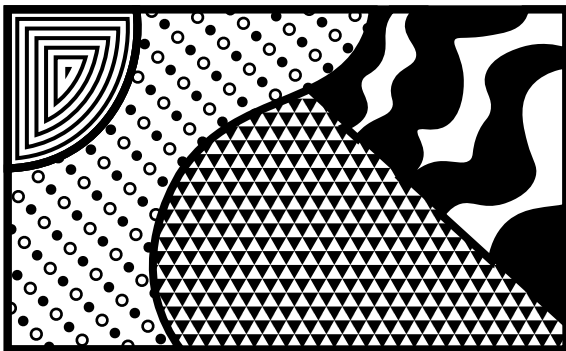

TIME FOR A BIG ONE! FIND A PIECE OF PAPER AND TRY IT YOURSELF.  
SHARE YOUR RESULTS BY TAGGING @SKETCHBASIN.

# Sketch BASIN

## CREATE YOUR OWN ZENDOODLE!

ZENDOODLES ARE CREATED BY REPEATING PATTERNS INSIDE OF MORE PATTERS ON A PAGE. PATTERNS ARE SIMPLY "REPEATED DECORATIVE DESIGNS". NOT ONLY ARE THEY FUN TO MAKE, BUT THEY CAN ALSO HELP YOU BECOME "ZEN" OR RELAXED.

## EXAMPLE HERE!

1. DRAW LINES TO DIVIDE YOUR PAGE INTO DIFFERENT SECTIONS.
2. CHOOSE ONE SECTION AND FILL IT BY REPEATING A PATTERN.
3. CONTINUE WITH MORE PATTERNS IN THE REMAINING SECTIONS!

*\*\*\*PLAY AROUND WITH SCALE (SIZE) OF THE DESIGNS. THE MORE VARIETY THE BETTER!\*\*\*  
STILL STUCK? CHECK OUT YOUTUBE FOR "ZENDOODLE" VIDEOS.*
